**Notice of Signature Does Not Match**

11/03/2021

JESSE REYES  
113 PHEASANT CANYON CT  
WENATCHEE, WA 98801

Dear JESSE REYES,

The ballot you returned for the **November 2, 2021 General Election** has not been processed because the signature on the ballot does not match the signature currently on file in the Chelan County voter registration records. (RCW 29A.40.110) It appears that someone other than you may have signed your ballot.

It is very important to us that your ballot is counted. In order for the Elections Office to be able to accept and count your ballot, we have added a Signature Update form on the back of this letter for you to fill out and sign. The signature on the Signature Update form must match the signature on the Affidavit of Voter envelope that contains your voted ballot.

We realize that signatures may change over time or that a person may have a different signature if he or she is signing a document in a hurry. When you signed your ballot envelope you might have been in a rush and may have signed your signature a little differently than you would have under other circumstances. If you feel that this may apply to you, then this "rushed" signature is the signature we are requesting from you. If you have several variations of your signature, please feel free to sign the form with all versions of your signature.

By completing and returning the form, you will enable the Elections Office to have multiple variations of your signature on file to compare with the current ballot and all future ballots.

The signed form should be returned in the enclosed envelope and **MUST** be received in our office **no later than 5:00pm Monday, November 22, 2021**.
